

Dear Caregivers,

As a music teacher, I take great care in the selection of instruction and activities for class. However, as a professional musician, I can only speak for myself, my experiences, my culture, and the things that I have learned. I know in our Hebbville ES community, there are many whose cultural background and lived experiences differ from mine. I would love to work with you, as a community, to offer the students of Hebbville ES the best education we can. You will see students participating in live lessons via Google Meets and activities on Schoology during our Instrumental Music Units. We use the lesson book “[Sound Innovations](#)” which can be purchased from [Menchey Music](#).

If you have any perspective, insight, or knowledge you would like to share with me about the activities, I can be reached at oalexander@bcps.org. Also, if you have any activities that you would like to share, I would love to hear from you.

Thank you,

Mr. Alexander
